

Serving. Supporting. Caring.

Third Party Event Form

Thank you for your interest in supporting restaurant workers in a time of need. Restaurants Care™ is a program of the California Restaurant Association Foundation and provides grants for basic living expenses as an Individual works through a crisis. It's our way of giving back to the people at the heart of our industry and demonstrating that Restaurants Care.

To get started, simply complete the form below and send it to Bobbi Cichowski at bcichowski@calrest.org. We look forward to working with you!

Blurb: Restaurants Care™ serves hope and financial support to restaurant workers facing unforeseen hardships. When the terrible fires swept through California, Restaurants Care™ was a resource to those displaced and out of work. When Juan, a dishwasher in Los Angeles, became ill and couldn't work for three months, Restaurants Care™ helped with rent. These grants are a life-line to those who need it most in our restaurant community.
